# ZILANI GULF TRAINING INSTITUTE

Zilani Gulf Training Institute was established in 2001 by Mr. Mizanur Rahman Chowdhury (MD of Zilani Group). This institute was set up to enhance client services and to improve the quality of manpower we provide to our client. This is Government approved testing and training institute in dedicated area. The training institute has all facilities to test candidates of Civil and MEP (Maintenance, Electric & Plumbing) along with all FM (Facilities Management) categories. Zilani Gulf Training Institute also caters to facilities up-grading manpower skills as per our client requirement. Training is conducted by our in-house trainers who have multiple years of GCC (Gulf Cooperation Council) experience.

## Mission

The Mission of Zilani Gulf Training Institute is to develop a competitive and productive workforce by setting up demand driven, standardized, dynamic and integrated technical education and vocational training services.

## Our Vision

To be renowned training institute in the Manpower recruiting sector, constantly innovating and using the latest technology in training and to act as a key provider of quality workforce to our international clients from Bangladesh.
